Subject: Criteria for teachers to attend Seminars / Workshops / trainings & other activities

Sir/Madam,

It has been observed that a specific / selected group of teachers always remain out of school on the pretext of attending the workshops / activities being organized by the organizations / NGOs and the academies like Himachal Sanskrit Academy etc. without the prior permission of the competent authority. All such teachers who want to participate in such type of activities are required to take prior permission from controlling officer / competent authority.

Taking a conscious view and decision the desirous teachers be allowed only once or twice in the academic session / year and chance to freshers or others be also given. Repeated participation of some teachers in such programmes, being organized by academies / organizations be strictly avoided keeping in view the larger interest of the students and to uphold the very basic instinct of such programmes. Merely invitation of such academies / organizations be not considered as the permission of the department / competent authority.

Principals / Heads of Institutions be directed to ensure strict compliance of these orders and same group of teachers may not be allowed to remain out of schools on above mentioned pretext in the interest of the students and the institutions.
