Subject: - Regarding action taken report of review meeting held on 17.08.2020 under the chairmanship of Hon'ble Education Minister H.P.

Sir, Madam,

It has come to the notice of higher authority that some of the Govt. Degree Colleges in the State have less than 1000 enrolment in all streams running in the colleges, therefore, necessary steps are required to be taken for enhancement of enrolment in the colleges.

It is therefore, suggested that meeting with local public representative (President Zila Parishad /BDC/Gram Panchayat, Stakeholders) be conducted for motivating their children for higher education. Meeting with the Principals of nearby Govt. Sr. Sec. Schools may also be conducted for motivating the children studying in the institutions for higher education. Further, all the Principals/ Teachers colleges also should adopt some strategies/ mechanisms which they think better for increasing the enrolment of the students in the colleges. Campaign for increasing the strength/ enrollment of students in various streams through social media, electronic media and print media can also be initiated. People also be made apprised about the various schemes like scholarship and tuition fee waiver provided by the Govt. for the benefit of the students.
