

**No.-EDN-HE(14)-1/2019-ICT Vol-VI
Directorate of Higher Education
Himachal Pradesh**

Dated: Shimla-171001 the July, 2024

To

All Deputy Directors of Higher Education,
Himachal Pradesh.

Subject:

**Utilization of ICT Labs and Smart TVs for Educating Children with
Special Needs (CWSN).**

This is in reference to letter No. HPSES-HO-(SS)-IED/GOI-2021-633, dated 18-06-2024 received from the office of the State Project Director (SS) on the subject cited above.

To provide quality education to all students, ICT Labs, Interactive Panels, Smart TVs, Computers, Printers, Imaging Devices, Microphones, and UPS have been made available in many schools of Himachal Pradesh through the Directorate of Higher Education and Samagra Shiksha, HP to enhance the learning experience of students and children with Special Needs (CWSN).

It is to inform you that digital content for children with special needs has been developed by NCERT in collaboration with CIET, New Delhi to address special educational needs. Resources in multiple modes with flexible content delivery for personalized adaptation are available. This digital content can be used by all teachers to meet the diverse educational needs of CWSN students by clicking the link given below:
