Subject:- Regarding Submission of School Disaster Management Plan.
Memo,

As you may be aware that the School Disaster Management Plans (SDMP) are needed to be developed by the each school as per the template provided in NDMA Guidelines on School Safety Policy 2016, as per the direction of Hon'ble Supreme Court of India. All the SDMPs must have following features:-

1. Detailed Hazard risk profile of the school.
2. Constitution of School Disaster Management Committee
3. Constitution of various Task forces.
4. Development of Resource Inventory inside & outside of the building.
5. Development of Floor wise evacuation maps indicating evacuation route and assembly points.

You are, therefore once again directed to ensure that the Disaster Management Plans are prepared for all the schools in your District, and are submitted to the respective DDMA (District Disaster Management Authority) as well as to this office through concerned DDHE. It may be ensured that SDMPs are not furnished directly by schools to any higher office/ agency/authority except concerned DDHE. The District wise information of all schools may be compiled and then furnished further to this office and concerned DDMA. The guidelines for preparation of the Disaster Management Plan are available on NDMA's website. Please treat it as most important and Time Bound.
