Subject: - **Himachal Pradesh integrated drug Prevention policy 2022.**

In order to implement the Himachal Pradesh Integrated Drug Prevention Policy and to tackle the problem of sale of drugs to the students of Educational Institutions, Institutional head and faculty are required to ensure the following steps:-

- Involve NCC Cadets, NSS volunteers and Rovers and Rangers etc. in reporting peddlers and following up with police.
- Administrative / Teaching / Non- teaching staff of Colleges will be encouraged to look out for peddlers in their vicinity and report them to police.
- Conduct surveys (possibly anonymous) to assess the levels of drug addiction among students, and if addicted students can be identified, to talk to their parents or wards to find medical help to cure their addiction.
- Colleges shall constitute anti-drug clubs and shall introduce anti-drug campaigns under their "Internal Quality Assurance Mechanism" to promote a drug-free life among its members and in the institutions.
- Teaching faculties of the Colleges, NSS Volunteers, NCC leaders, students and parents shall draw an exhaustive plan to disseminate drug awareness / sensitization programs periodically.
- It is compulsory for colleges including hostels to declare these places as "No-Drugs, No Intoxication Zone" and the students while filling up forms of admissions to give an undertaking that they know that the college is a "No intoxication Zone" and they will be required to undertake to abide by that and refrain from indulging in any activity of consuming or otherwise using any intoxication or narcotics substance. On violating the rule, they shall face disciplinary adverse action including expulsion against them by the institution.
- The College authorities shall essentially organize the debates, declamation, essay writing, painting, slogan writing, skits / short plays / rallies focusing on ill-effects of drug abuse and alcoholism. Apart from these, they shall organize meeting with Parent Teacher Association and anti-drug clubs of the College and invite the medical experts from health department or any other counselors, psychologists for sensitization on the challenges posed by the drug abuse.

- Sports, Yoga and meditation be made as compulsory activities for the faculty and the students of the institute.
- College shall make documentaries and electronic media awareness material on drug awareness and sensitization.

As per aforementioned, you are directed to go through the contents and take further necessary action accordingly, under intimation to this Directorate at the earliest.
