D.O. No.26/PPS/AS(VKD)/11/2021

New Delhi, the 2<sup>nd</sup> November, 2021

**National Painting Competition on Energy Conservation 2021: Organized by Ministry of Power, Government of India.**

Dear Shri. Rajeev Sharma,

As you may be aware, the Ministry of Power, Government of India with an aim to motivate the children towards energy conservation have been organizing School, State and National level Painting Competitions, every year, since 2005. This activity is being executed by Bureau of Energy Efficiency (BEE) on behalf of Ministry of Power with the active support of CPSUs under Ministry and State Education Departments. This competition could not be undertaken in the last year due to COVID pandemic. Around 85 Lakh students from various parts of the country participated in the painting competition held in 2019. The sincere efforts of the Education Department of the State in facilitating the Painting Competition gets recognized for their valuable support and ensuring maximum participation from their State.

2. I may like to mention that the Ministry of Power has now decided to re-energize the campaign on energy conservation from this year, i.e., 2021.

4. This year we would like to celebrate 75<sup>th</sup> Year of Independence with theme of "Azadi Ka Amrit Mahotsav - Energy Efficient India" with the active cooperation of State Governments/UTs. This will further help in sensitizing the students, teachers and parents about the concept and importance of energy conservation. The details of the Painting Competition and list of State level Nodal Officers are uploaded on [www.beeindia.gov.in](http://www.beeindia.gov.in)

5. Students of 5<sup>th</sup>, 6<sup>th</sup> & 7<sup>th</sup> standard under Group 'A' and students of 8<sup>th</sup>, 9<sup>th</sup> & 10<sup>th</sup> standard under Group 'B' are eligible to participate in the competition. Timeline for online registration for the State Level Competition would be from 1st November, 2021 to 30th November, 2021

6. I request you to kindly advise officials of the Education Department to facilitate and ensure participation of the schools and their students by extending all possible assistance to the Nodal Officer deputed by the CPSUs (list enclosed) for making this event a grand success.

with regards,

Yours Sincerely,

(Vivek Kumar Dewangan)
