Government of Himachal Pradesh
Department of Information Tecnology

From

The Secretary (IT) to the
Government of Himachal Pradesh

To

All the Administrative Secretaries to the
Government of Himachal Pradesh, Shimla-2

Dated Shimla-171002, the 19th September, 2020

Subject: - Regarding providing of Fibre to the Home (FTTH) connections
to the Government Institutions through BharatNet.

Sir,

I am directed to enclose a copy of letter No. II/21021/45/2017-
IS-II/M dated 07-09-2020, received from Joint Secretary, Ministry of Home
Affairs, CIS Division, Government of India, North Block, New Delhi, on
the subject cited above for information and further necessary action to
sensitise the concerned Govt. institutions under your control at GP level to
accept & provide necessary cooperation in provisioning of FTTH
connections.

Yours faithfully,

Under Secretary (IT), to the
Government of Himachal Pradesh

Endst. No. As above: - Dated Shimla-171002 September, 2020

No. II/21021/45/2017-IS-II/M
Government of India
Ministry of Home Affairs
CIS Division

North Block, New Delhi
Dated 7 September, 2020

To
The Chief Secretaries of all States/UTs

Subject: Providing of Fibre to the Home (FTTH) connections to the Government Institutions through BharatNet.

Sec (Home)
Secy (IT)
Secy (PD)
7/9/2020

The undersigned is directed to say that BharatNet is a project to create network to connect all the Gram Panchayats (GPs) by broadband. This project is under implementation and the infrastructure created will be a national asset, accessible on a non-discriminatory basis to the service providers. The project aims to provide affordable broadband services to citizens and institutions in rural and remote areas, in partnership with States and the private sector, towards realization of the vision of 'Digital India

2. BharatNet project is being implemented by Government of India for providing high speed broadband connectivity to all the Gram Panchayats (GPs) in the country. Work covering more than 1,00,000 GPs has already been completed and Phase-II work is under implementation for connecting remaining GPs.

3. For BharatNet Phase-I, CSC e-Governance India Ltd. (a Special Purpose Vehicle under the Ministry of Electronics & Information Technology) has been assigned the work of provisioning of 5 Fibre to the Home (FTTH) connections to Government Institutions such as Anganwadi, Health & Wellness Centres, Government Schools, Public Distribution system, Post offices and Police Stations etc. It has been observed that during the provisioning of FTTH connections to the Government Institutions, following issues are being faced by the CSC teams (Common Service Centre):

- i. Government institutions at GP level are not aware about the scheme and they ask for the letter issued by their respective state authority in this regard.
- ii. Some institutions are not able to provide documents required for KYC for providing FTTH connection.
- iii. Power connection is also required at Government institutions for FTTH connection.

10/9
CS (IT)
14/9/20
S.O. (IT)
14/9/20

4. In view of above, suitable instructions may kindly be issued to sensitise the concerned Government Institutions at GP level to accept and provide necessary cooperation in provisioning of FTTH connections.

5. This issues with the approval of the Competent Authority.
