National Commission for Protection of Child Rights (NCPCR) in collaboration with Narcotics Control Bureau (NCB) has prepared and released a Joint Action Plan on "Prevention of Drugs and Substance Abuse among Children and Illicit Trafficking" on 9th February, 2021. This Action Plan has been formulated on the basis of deliberations and inputs from Narcotics Control Bureau, MoH&FW, MoSJ&E, Ministry of Education, NDDTC-AIIMS, Sainik Schools-Ministry of Defence, NCC & CDSO-Directorate General of Health Services.

2) The Joint Action Plan- एक युद्ध नशे के विरुद्ध" is formulated to streamline and strategize the efforts made by various authorities, institutions and agencies to bring paradigm shifts in the direction of drugs and substance abuse prevention amongst the children in the country. Moreover, it is a framework to wean away children from drug abuse and to stop selling of drugs in surrounding areas of schools/educational and children care institutions through convergent actions in a time-bound manner. It also adopts some of the strategic interventions to prevent the reach of pharmaceutical drugs, substances and other forms of goods used as intoxicants by the children.

3.) This is first of its kind comprehensive Joint Action Plan on the use of drugs and substance abuse among children, wherein, all the stakeholders, agencies, duty bearers, authorities, media and parents are to perform their designated roles indicated in the document. It is hoped that with support of all our State Commissions for Protection of Child Rights this Action Plan ushers a journey to realize the goal of "नशा मुक्त भारत" "Drugs free India" so that the vision of New India - A Great India can be achieved.

4) In the first phase, Joint Action Plan was implemented in 272 vulnerable Districts as identified by the Ministry of Social Justice & Empowerment. Following this, a review meeting on implementation of Joint Action Plan on Prevention of Drugs and Substance Abuse and Illicit Trafficking of 31 States and 260 Districts out of 272 districts identified by MoSJE was held virtually.
