11. It has been observed in some cases in the past that a person recommended by the State Government, etc. for the award of Certificate of Honour expired even before the announcement of the award but the fact was not brought to the notice of the Government of India well in advance of the announcement of Award. As a result, announcement of award in such cases caused unnecessary embarrassment to the Government. The Awards are not awarded posthumously. It is, therefore, requested that in case any nominee for the award expires before the awards are announced, intimation may be sent to this Ministry without any delay.

12. The recommending authorities are requested to maintain complete secrecy and dignity of this award by not entertaining any application or request from individual scholars themselves. Discreet enquiries may be made for collecting full information/details about the concerned scholar from other sources, since they are not supposed to know that their name was being recommended. No material furnished by the Scholar himself should be entertained or sent along with the recommendation. Canvassing of any sort on the part of the scholar will be against his own interest and shall be viewed seriously.

Yours faithfully,

(P. Bhaktavatsalam)
