

PRESS RELEASE

APPEAL

The Government of Himachal Pradesh has opened large number of schools in the state, to ensure that children from all villages have access to education. Students are being provided various scholarships as per their eligibility. However, it has been observed that transition of students from class 8th to 9th and from class 10th to 11th is not hundred percent. It is also the duty of a parent to provide education to their child/children, so that all citizens of future could be well educated and contribute towards development of the state as well as country.

Therefore, all the parents of the students of recently passed out 8th and 10th class are requested to admit their students in next class i.e. 9th and 11th respectively.
