Subject:-

Regarding safety measures for Children's during natural calamities. - 1

Memo,

This is with reference to the letter No.HPCPCR-B(2)-1/2016-Vol-II-773-775 dated 15-10-2016, received from the Director (WCD)-cum-Member Secretary, H.P. Commission for Protection of Child Rights, New Shimla, on the subject cited above.

In this regard, the National Commission for Protection of Child Rights, GOI, has desired that State should take immediate Safety measures for Children like preventing them from walking through the flowing water, precautions for moving towards low area during floods, staying away from power lines/ electrical lines etc. Further, it has also been observed by the Commission that most of the State's have not taken safety measures for children during natural calamities like flood, earth quake, fire etc.

You are, therefore, directed that necessary immediate steps may be taken with local administration of the area to close the institutions during floods & such kind of natural calamities to avoid any bad incident.

This may be given personal attention and top priority please.
