## **Section I - Preface and Project Profile**

**The salient features of the Project implementation approach are as follows:**

The process of development of a National Vocational Education Qualifications Framework (NVEQF) is presently underway in the country. The NVEQF is going to set common principles and guidelines for a nationally recognized qualification system, covering schools, vocational education institutes and institutes of higher education with qualifications ranging from secondary to doctorate level, leading to international recognition of national standards. Students would have the scope for vertical and horizontal mobility with multiple entry and exits. This would be especially useful to promote the creative genius of every child including children with special needs. Extensive consultations with the State Govt. have been carried out.

- a. The Department of Higher Education, Government of Himachal Pradesh, has started vocational education in selected 100 Govt. Sr. Sec. Schools of the state under NVEQF a Centrally Sponsored Scheme.
- b. The Department of Higher Education, Himachal Pradesh intends to implement the NVEQF project for all the liabilities covered under the scope of work mentioned in this tender document for 26 Govt. Sr. Sec. Schools.
- c. The Department of Higher Education invites sealed Pre-qualification/ Technical and Commercial proposals from eligible Bidders for selection to establish Securitys Labs under NVEQF Project in 26 Govt. Senior Secondary Schools (**Annexure-D**). The bidder shall be selected as per the procedures described in this tender document.
- d. Bidders may note that Bids are to be submitted as per the instructions laid out in **Section III** of the tender document.
