

Shiksha – II –Chha(1) -1/2003-L
Government of Himachal Pradesh
Higher Education Department

From:

The Additional Chief Secretary (Edu.) to the
Govt. of Himachal Pradesh.

To

✓ Director (Higher Education)
Himachal Pradesh.

Dated Shimla-2, the 31st May, 2016.

Subject: Analysis of class – Xth and XIIth results.

Sir,

It is in continuation to this Office Letter no. Shiksha-II-Chha(1)-1/2003-L dated 30-5-2016.

It has been observed that the results of some Govt. Schools where the enrollment is more than 60 students are also poor. Most of such schools are located at convenient places and all required resources for quality academics are available. You will also appreciate that we need to make extra efforts to ensure that results of schools with higher enrolment are better.

Following course of action is hereby suggested for such schools:-

i) In all such schools, where the result is less than 40 percent, Deputy Director concerned must visit the school in the next 10 days and seek explanation of the concerned subject teacher and head of the institution and forward the same to this office along with his comments. In addition the results of these schools for the last 10 years be analyzed.

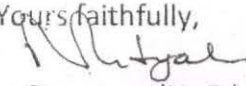

ii) In case number of teachers posted or posts created in such school is not adequate, proposal for filling up and/or creation of posts as per norms and with full justification should be forwarded.

iii) It has also been observed that in many such schools, the enrollment in a particular subject is very low. Deputy Director should analyze the reasons and take appropriate remedial measures.

Besides it, the Deputy Directors should also include in their report other measures to improve the functioning of these schools with higher enrolment.

A copy of results, students appearing in Xth and XIIth class is enclosed.

Yours faithfully,

Joint Secretary (Hr.Edu.) to the
Govt. of Himachal Pradesh.
