Subject:- Data / Statistics on the issue of missing children-information thereof.

Memo,

This is with reference to DO letter No.8/3/2007-PRP&P, dated 23-12-2014, received from the Joint Secretary, National Human Rights Commission, New Delhi through the Additional Chief Secretary (Education) to the Government of Himachal Pradesh, on the subject cited above.

In this regard, it was recommended by the committee in the National Conference on missing children on 15-01-2013 that **local administration should facilitate the schools to keep a watch on their children, especially when they become untraced or become dropouts. The schools and old teaching institutions should introduce photo identity cards of children, so that tracing is possible. All such photos with identity particulars be documented and data base be developed urgently.**

Therefore, you are directed to issue necessary instructions to all field functionaries under your control with the direction to issue photo identity cards to the students vide which **Aadhar Card number** should also be indicated and which should always be worn by all students.

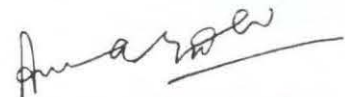

This must be given personal attention and top priority please.
