Subject:-

Regarding improving the learning outcomes of the students during the current academic session 2016-17.

Memo,

This is with reference to letter No.EDN-C-F(10)-1/2012-Vol-II dated 28-04-2016 and No.EDN-B-Chh(10)9/2012 dated 04-05-2016, received from the Additional Chief Secretary (Education) to the Government of Himachal Pradesh, on the subject cited above and it is informed that Department of School Education & Literacy, Ministry of Human Resource Development, Government of India, has desired to provide special attention to improving the learning outcomes of the students during the current academic session 2016-17. The students are entering into a new class and some of them may not have achieved the required competency level at this stage.

In this regard, your attention is invited to the Article No. 2.7 of H.P. Secondary Education Code 2012 vide which it has been mentioned that "it is a moral duty of the Head of the Institution that special coaching classes for weak students are arranged before or after the school hours and nothing is to be charged from the students on account of such special coaching".

Therefore, you are directed to ensure that in your District, all schools offer every possible learning support so as to bring all children upto the expected level. The teachers should be asked to conduct special classes especially for weak students on working days before or after the school hours, so that they must achieve the desired competency level. The remedial classes shall be compulsory for all weak students and doubts, missed out contents should be removed or updated.

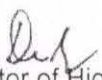

This must be given personal attention and top priority please.
