To Dated Shimla-1 the ^{23rd} March, 2016
All the Deputy Directors of Higher Education,
Himachal Pradesh

Subject:- Role of SMDC regarding Teachers engaging in taking private tuition.

Memo,

This is with reference to letter No.EDN-C-A(4)1/2011-Vol-III dated 10-03-2016, received from the Additional Chief Secretary (Education) to the Government of Himachal Pradesh, Shimla-2, on the subject cited above and as you are aware that under the framework of Rashtriya Madhyamik Shiksha Abhiyan a single School Management & Development Committee (SMDC) has been constituted in every Government Senior Secondary School & Government High School of the state comprising of representatives of local authorities, academicians, subject experts, officials, representatives of disadvantaged groups, women and parents/ guardians of students.

In this regard, further it has been suggested by the Department of Schools Education & Literacy, RMSA-I Section, Ministry of Human Resource Development, Government of India, that besides the planning and development functions, the School Management & Development Committees may also report instances of teachers engaging in private tuitions or private teaching activities. As the members of the committee come from different sections of the society, they are likely to be aware of such practices by school teachers. This information will help to curb the practices and facilitate consequent improvement in teaching standards in classrooms.

Therefore, you are directed that School Management & Development Committees in your District may be asked to ensure that Government teachers devote efforts for improving the learning of students during school hours itself and report instances of teachers engaging in private tuitions or private teaching activities.

This must be given personal attention and top priority please.
