Subject: Dedicate "Health Day" for health education in schools - regarding.

Sr/Madam,

The 63rd Meeting of the Central Advisory Board on Education (CABE) was held on 19th August, 2015. One of the issues raised in the meeting by Shri J.P. Nadda, Union Minister for Health & Family Welfare is to dedicate a day called 'Health Day' for health education in all the States.

2. As World Health Day is celebrated every year on 7th April, under the aegis of the World Health Organization (WHO), it is requested that every year on 7th April, a "Health Day" may be organized in the schools for imparting health education to children.

Yours faithfully,
