SECRETARY

No: 3/(30) /Library/training/2017

Date: 29-6-17

To
Dr. B. L. Vinta
Directorate of Higher Education,
Himachal Pradesh
Shimla-171001

Dear Sir,

I am pleased to inform you that Indian Institute of advanced Study Shimla is organizing five days training programme on **Library Automation** in collaboration with (INFLIBNET) Information and Library Network Centre, Gandhinagar from 17th July to 21st July 2017.

The programmes aims to train library professionals on library management software with emphasis on (SOUL) Software for university libraries designed and developed by INFLIBNET Centre which is being used in most of the academic libraries in India. I believe, most of university and college libraries in Shimla are using SOUL software. The programme aims to enhance the skills to use the updated version of SOUL software.

In this regard, you are requested to depute library professionals from the various colleges for this training programme which I believe will certainly help them to improve the library services in their respective institute. The outstation professionals will be provided free lodging and boarding facility in the IIAS campus. However, keeping in view of the limited guest house facility, the participants will be given sharing accommodation.

The IIAS intends to register only thirty library professionals from the state for this programme. Once the number reaches thirty, the IIAS will not consider any request for registration. I, therefore, request you to kindly nominate / depute the library professionals for this proposed programme at the earliest. The confirmation of nominated candidates should reach the undersigned before 12th July 2017 either through email or by post.

With regards

Yours faithfully

(Prem Chand)
