Subject: - Regarding opening of schools in the campus for higher studies..

Your kind attention is invited to the D.D. No. HPPERC -2364 dated 27th July, 2016 received from Sh. Sunil Sharma, Member, HPPERC Manjitha House Complex, Shimla-2 (HP) through the Principal Secretary (Education) to the Govt. of Himachal Pradesh Department of Higher Education on the subject cited above vide which it has noticed that some of the Private Higher Educational Institutions in the State of Himachal Pradesh running courses like B.Ed., M.Ed., JBT, ANM/GNM, B.Sc. Nursing, B.Tech./Diploma etc. are parting with their campus space for opening the schools.

In this connection, it is informed that necessary permission is accorded by the State Government /Regulatory Bodies for opening institutions of higher education in terms of the infrastructural facilities required for such institutions. Parting with infrastructural facility by opening schools in the same campus of the institution would thus attract violation of the UGC/AICTE/NCTE norms.

Therefore, you are directed to ensure the compliance of UGC/AICTE norms and institution of higher education may not be imparted to run a school in the same campus. If any institution in the State has been accorded such permission to run the school on the campus meant for higher education studies are directed to shift such schools to other place immediately under intimation to this office.
