Subject: Organization of **Parthenium Awareness Week**.

Sir,

As you know Parthenium is a weed of national importance and is posing a great threat to biodiversity and human and animal health. In Himachal Pradesh, it is spreading like a wild fire and is affecting the environment and productivity of pastures and grasslands. Still there are areas which are not invaded or sparsely invaded and general awareness among public can help in management of this weed from infested areas. In order to create public awareness, it has been decided to observe Nation Wide Parthenium Awareness Week from 16th August – 22nd August, 2017 this year too. A brief bulleting entitled "**Gazar Ghas Hatao Paryavaran Bachao**" in Hindi containing information about this weed and technologies developed by this University to manage this weed is enclosed herewith.

You are, therefore, requested to kindly write to all the Principals of Colleges and Schools to organize rallies to make people aware about this weed. They may also be requested to clear the premises of their Schools and Colleges by uprooting this weed on campaign basis during this week. All out efforts may be made to give wide publicity to make the programme a grand success. Kindly arrange to send us the report of various activities to be undertaken on this national programme for further compilation and submission to the concerned quarter.

Yours faithfully

[Signature] 18/8/2017

Director of Research

इसी खरपतवार के पत्तों एवं फूलों को खाता है। अन्य किसी भी फसल या मनुष्य या पशुओं को नुकसान नहीं पहुँचाता। इसके अतिरिक्त गलायफोसेट 1.5 किलो ग्राम प्रति हैक्टेयर 500 - 600 लीटर पानी में घोलकर स्प्रे करने से भी इसको नियन्त्रित किया जा सकता है।

- यदि खेतों में इस खरपतवार का प्रकोप हो गया हो तो अलग अलग फसलों में अनुपयोगित खरपतवार रसायनों का प्रयोग करें। खेतों को खाली न छोड़ें।

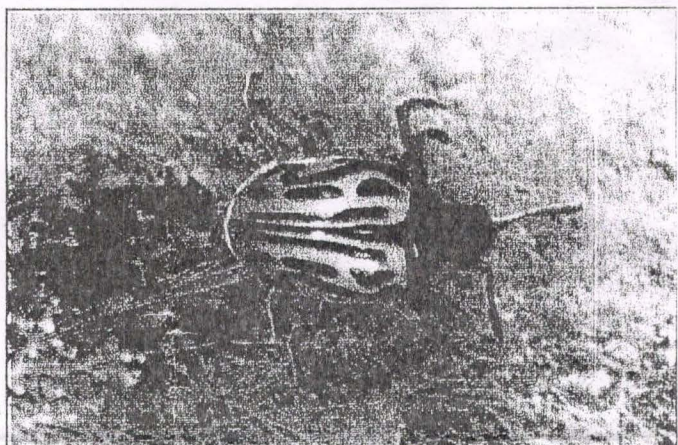

सावधानियाँ

- इस खरपतवार को उखाड़ते या काटते समय हाथ, मुँह पाँव तथा टाँगों को ढक कर रहें।
- खरपतवार को सुवह और शाम के समय ही उखाड़ें।
- उखाड़ते या काटते समय सिगरेट या अन्य खाने पीने वाली वस्तुओं का प्रयोग न करें।
- नियन्त्रण सामूहिक रूप से करें।

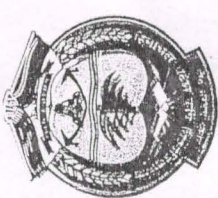

अधिक जानकारी के लिये वरिष्ठ सस्य वैज्ञानिक-(खरपतवार नियन्त्रण), सस्य विज्ञान विभाग, चौ. सरवण कुमार हि. प्र. कृषि विश्वविद्यालय से संपर्क करें।
