Press Note

IT-Education in Govt. Sr. Sec. Schools of Himachal Pradesh

It is has come to the notice of the undersigned that the hardware/software installed in the IT-Labs established by Everonn Education Ltd. in 968 Govt. Sr. Sec. School of the state, where IT-Education is being imparted by Everonn Education Ltd., are not being maintained properly. This is affecting the smooth functioning of the IT-Labs as well as study of the students. Therefore, all the Principals of these 968 Govt. Sr. Sec. schools are directed to take necessary action to keep the IT-Lab functional. If required, necessary repair may be carried out at school level after completing all the codal formalities. The expenditure occurred on the repair, may be met out of the penalty amount, imposed on the Company as per the terms and conditions of the agreement.

The concerned school Principals are further directed to ensure that all the hardware installed in IT-Labs should be in good working condition before the beginning of practical examination for the academic session 2012-13. Failure to comply with these instructions will warrant disciplinary action against the defaulters.

Dated 13th February 2013
