(Himachal Pradesh)

**Subject: - Request you to inform the Principals of Senior Secondary Schools of your State School Boards of your State School Board having Maths-Science Stream for nominating the 5 Best Students of their School to complete for Engineering Watch Fellowships-2014.**

**Memo:**

Engineering Watch, India's most prestigious magazine dedicated to engineering community, has instituted Engineering Watch Fellowships which would be conferred upon 1000 students from across the country who could be taking up Engineering Education in the year 2014.

The academic and other co-curricular accomplishments of these Engineering Students would be duly mentored & monitored by Industry Experts and Senior Academics during the four years of their engineering so that they can fine tune their studies and thereby shape up their careers in the right direction. These Engineering Watch Fellows would thereby become role models for the students of their batch.

They would also constitute a core selected sample of Engineering Students whose opinions, performances, challenges would help the unfurling of various policies and programmes for augmenting quality of Engineering Education in the country. They would also be given innumerable internship, excursion and sojourn opportunities to various industrial & engineering installations and will also be eligible for special Tuition Waiver Schemes offered by various colleges.

In this connection, you are hereby directed to nominate 5 Best eligible and interested Students of your school to compete for Engineering Watch Fellowships-2014. The nomination form can be filled online at <http://fellowship.engineeringwatch.in/nomination>. In case, you have any further query/clarification please feel free to contact Ishita Dutta (M: 8826481235).
