NO. HPSES-RMSA-(H.O)-RMSA Swayamsidham- 2015-16 – 3982
State Project Office RMSA
Shimla-1, Himachal Pradesh.
Dated: Shimla-171001, the   19ᵗʰ Nov 2015.

To

(1) All the Deputy Directors, Higher Education, H.P.

(2) All the Deputy Directors Elementary Education, H.P.

(3) All District Project Officers-cum-Principals DIETs, H.P.

(4) All Heads/Principals of High and Sen. Sec. Schools, H.P.

SUBJECT: **Logging –in at Swayamsidham Portal (rmsahimachal.nic.in) and activation of Passwords of PMIS No.**
Deputation of ANO ICT and PMIS on 30ᵗʰ November at SPO.

Sir/Madam,

It is for your kind notice that Swayamsidham Project is considered to be one of major qualitative intervention for quality improvement in govt schools. This project has been launched after long exercise of piloting and training throughout the state after the disastrous results of PISA.

All the heads and teachers need to pay special attention to work in a coordinated way rather than sitting in isolated corner of comfort zone. For this RMSA portal has provided a platform to all the teachers and students to remain on an interactive mode and adopt constructivist approach of lesson plans and focus on development of different qualities (confidence, communication, pear group learning and cooperation), and skills (analysis, synthesis, critical thinking and learning). In case of difficulty all can communicate in the web portal. By saying 'NO' to technology in modern era of creativity and SMAC (soft-ware, Mobiles, Apps, and the Cloud), would hamper the way of the progress and development of future generation.

The site is open for all .The resource can be accessed at the link, resource material, to be strengthened by the teachers themselves during training or at the schools. The

sample lesson plans have been uploaded to establish uniformity in pedagogy in all the schools of constructivist approach. But in case of difficulty/ query/question, the teachers and the students have to be logged in the portal. After getting registered they can ask the questions to be answered by district and state resource group. Hence all teachers and the students are directed strictly to get logged in the Swayamsidham portal (rmsahimachal.nic.in.). For this, all the departmental officials need to know their employee code and the corresponding password. Though all the employees know their employees code, the passwords of the employees were not being activated earlier. Now the password/code of all the teachers have been produced in a uniform way i.e. first three letters of their name and four digits of the year of birth. (For example: Mohan is a teacher and his year of birth is 1990. So his password would be **moh1990**)Hence all the School Cadre Lecturers, PGTs, TGTs (Arts, Science, non-medical) and Language Teachers and OTs (Sanskrit Teachers) are directed to get registered in the portal and start using the site by way of interacting on the Portal which has specifically been designed for the govt. teachers.

The students can get registered by submitting all the details like student name, nick name, date of birth, gender, fathers name and class etc. The portal then generates a registration number which would be his user name. The password would be the date of birth of the students YYYYMMDD(For example:Manu is a student and his date of birth is 16th October 2000. His Password would be 20001016)

All are directed to get the teachers and students registered in the web portal. In case of difficulty schools can contact ANOs (ICT and PMIS) of Deputy Director Higher and Elementary office and ANO (ICT) of DIETs of the concerned Districts. All the ANOs ICT and PMIS in the office of Dy. Dir. Higher, Ele. and DIETs are deputed at SPO, conference hall on 30th November at 10.30 AM along with the report of activating the site.

State Project Director (RMSA)
SHIMLA-1, HIMACHAL PRADESH.

Endst. No. Even   Dated: Shimla-171001, the......

Copy to: -

1. Additional Chief Secretary (Education), Govt. of Himachal Pradesh, Shimla-2 for information please.

2. Director Higher Education. Govt. of Himachal Pradesh, Shimla-1, with a request for direction to all the schools.
3. Director Elementary Education. Govt. of Himachal Pradesh Shimla-1 with a request for direction to all the schools.
4. All the DPOs (SSA/RMSA) are requested to make hole-hearted efforts to get all the ICT Equipped schools (phase I/II) to get registered on the portal and send the list of **Five Members of District Resource Group** **in Science, Maths, English, Hindi and Sanskrit** (who have actively and enthusiastically participated in training/the ones who voluntarily wants to come forward) along with their address, Ph.no. and E-mail address. Send the report by 25th of this November.
5. All the BRCCs are to expedite the process and adopt the nearby at least ICT-Equipped schools to make all the arrangements of getting teachers and students techno-friendly .
6. All the heads are also directed to hold fortnight meeting on lesson plans and progress of students, to adopt constructivist approach of maximum participation of students in order to nurture different qualities and skills in students and working in groups to handle different assigned work/projects.
