Subject:- Regarding awareness of General Public about Swine Flu.

Memo,

This is continuation to this Directorate letter of even number dated 20-02-2015 and with reference to letter No SML-PSH(L&O)/2015-107, dated 21-02-2015, received from the District Magistrate, Shimla, on the subject cited above.

In this regard, it is informed that following precautions should be taken to prevent spreading of any infection, specially Swine Flu:-

1. Frequent washing of hands with soap.
2. Minimum touch of face by hands especially eyes, mouth and nose.
3. Taking precaution not to catch cold. In case infection of cold is not cured within 2-3 days the children must be taken to hospital for Doctor's check-up.

Therefore, you are directed to motivate / make aware the students to observe preventive measures against the Swine Flu to avoid further spread of the same.

This must be given personal attention and top priority.
