At the outset CIPET extends sincere regards to the team of MORD. Central Institute of Plastics Engineering & Technology (CIPET) is an Autonomous Institute under the Ministry of Chemicals & Fertilizers, Govt. of India. CIPET, Murthal Centre has been established in 2005 to meet the growing demands of plastics users and conversion industries in Haryana and neighbour State Himachal Pradesh. The Institute has fully fledged CAD/CAM/CAE Department, Design & Tool room, Processing Division and Plastics Testing Centre to cater the needs of Plastics Industry through managerial and supervisory manpower, training, Testing, consultancy, Advisory and Development services.

CIPET, Murthal team would like to submit a new proposal for "Training of Youth from Himachal Pradesh under Capacity Building Scheme" for the financial year 2015-2016 comprising three different programs/workshops with high end engineering softwares on job opportunities in the area of CAD/CAM/CAE.

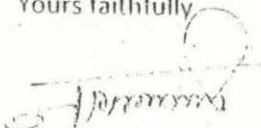

The beneficiary of this program would be for a Degree/Diploma in Mechanical / Production / Automobile / Aeronautical / Polymer/plastics / Tool & Die making / or equivalent with the aim of providing design oriented CAD/CAM/CAE training to equip themselves with the latest technology to get placed during their final year, apart from imparting quality training to unemployed youth of Himachal Pradesh.

You will also appreciate that similar kind of programmes were conducted from 2006 to 2012 for the candidates belonging to North Eastern Region, by CIPET Chennai and placed candidates in top leading concerns like TCS, Toshiba, Minda, Bajaj, HCL, etc. Still various programmes are being conducted by CIPET. CIPET Murthal wants to conduct CAD/CAM/CAE programmes for the benefits of the Students of Himachal Pradesh.

Please find the enclosed proposal for more details. We would request you to kindly sanction the same to commence the program at the earliest.

With kind regards,

Yours faithfully,

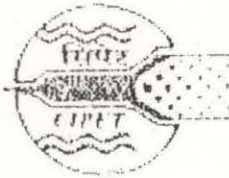

Chief Manager(P)
