Subject: Concept Note on District Good Governance Index-2020-21-comments/  
suggestions thereof.

Madam/Sir,

The Department of Economic and Statistics, Government of Himachal Pradesh is working on designing and developing a comprehensive District Good Governance Index (DGGI) Framework annually and publishes the ranking for the Districts. Being a regular exercise, the process of preparation of DGGI 2020-21 has been initiated.

For the preparation of DGGI 2020-21, the department has revised the indicators based on the demand, availability of data and present day needs. Some new indicators have been included for consideration. A detailed concept note on indicators of DGGI 2019-20 and proposed indicators for 2020-21 framework are enclosed to present the background and details of DGGI.

It is requested to kindly examine the revised framework and send your valuable suggestions, comments and feedback on the same before 30<sup>th</sup> October, 2021 at [ecostat-hp@nic.in](mailto:ecostat-hp@nic.in). Your valuable insights would be of immense benefit in developing a measurable and implementable DGGI 2020-21. Dr. Vinod Rana, Adviser (Economic and Statistics) may be contacted for further details.

I look forward to your support in finalizing a measurable and implementable Good Governance Index for districts.

Yours sincerely,

(Prabodh Saxena)

Additional Chief Secretary (Finance) to the  
Government of Himachal Pradesh
