**Sub.: Regarding the School of Global Leadership**

Namaskar,

In today's environment, leadership is increasingly defined by the ability to make sound decisions amid complexity, across technology, geopolitics, institutions, and society. Organisations that invest in leadership development are building long-term strategic capacity, not just individual capability.

With this in mind, I am writing to invite your organisation to nominate high-potential professionals for the Post Graduate Programme in Global Leadership (PGP-GL) - 2026 offered by the School of Global Leadership.

The PGP-GL is designed for individuals who are ready to take on larger responsibilities, and who can benefit from rigorous exposure to global leadership models, institutional thinking, and real-world problem-solving across multiple geographies. It combines academic depth with applied learning and structured leadership development.

We would be honoured to consider nominations from your organisation for the 2026 cohort. The enclosed Programme Brief provides details on programme structure, global residencies, eligibility criteria, the admissions process, and key dates.

For any coordination, nominations, or clarifications, our admissions team can be reached at [info.sogl@bestiu.edu.in](mailto:info.sogl@bestiu.edu.in), and programme information is available on the website at : <https://sogl.bestiu.edu.in>

We look forward to engaging with your organisation in building globally competent, ethically grounded, and institutionally effective leadership for the years ahead.

Yours sincerely,

**Jayant Sinha**  
Chair  
School of Global Leadership
