Subject: Regarding Enrollment of students in vocational subjects under NSQF

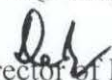

Memo,

It has come into the notice of the undersigned that the enrollment of students is not sufficient in class 9th in vocational subjects in many schools. Now it has been decided by the department that there should be 25-35 students in each school in each vocational subjects in class 9th. In case the adequate given number of students are not available in any vocational subject the student of nearby girls school/ GSSS / high schools within the radius of 3 kilometers may be motivated for admission in these subjects. In such case the vocational trainer of concerned subject will be deputed to teach these subjects in those nearby schools and the time table of all concerned such schools will be adjusted mutually. However the practical s of the students will be conducted in the main cluster/mother vocational school for all vocational students.
