D.O. No. F.1-16/2024-NVS(Exam)
10th July, 2023

4856

Dear Shri Abhishek Ji

In accordance with National Education Policy (1986), Govt. of India established Jawahar Navodaya Vidyalayas to provide good quality modern education to the talented children predominantly from the rural areas. At present 649 JNVs have been established in all the State & UTs except the State of Tamil Nadu.

Admission in Jawahar Navodaya Vidyalaya in class VI is made through Jawahar Navodaya Vidyalaya Selection Test (JNVST). The selection test for admission to class VI in JNVs for the session 2024-25 is being conducted by CBSE on behalf of NVS.

The aspirants for the said test are from remote localities of the district. Concerted efforts to reach out to them are essential without which many deserving and meritorious students may not get the information about the online registration facility.

In this regard, I request you to direct the District Officials & Education Department to use various platforms under their command to give wide publicity about the online registration for appearing in the JNVST and also about infrastructure & modern quality education being imparted at JNVs free of cost. JNV in the district has been instructed to provide facilitation to the students in registration and the details of selection test. Releasing a press note in the district edition of the local newspapers may help immensely to bring instant awareness among the needy students and parents.

The registration for class VI is being done through online portal for which the link is available in the NVS website www.navodaya.gov.in and the last date to submit the application is 10th August, 2023 (Thursday).

In consultation with examination agency, the schedule of activities is finalized and notification is released in this regard for the conduct of class VI JNVST 2024 on 04th November, 2023 (Saturday) for Winter bound JNVs and on 20th January, 2024 (Saturday) for Summer bound JNVs all over the country.

We look forward for your continued support in conducting the selection test smoothly.

- With regards

Yours sincerely,

Vinayak
