Subject: Encouragement of various Standard Club Activities under Standards Club

Dear Sir,

Bureau of Indian Standards (BIS) has been mandated to formulate national standards as well as promote use of these standards among various stakeholders. In pursuit of this mandate, academia has been identified as an important stakeholder as the knowledge of quality and standards is of immense value to the students to seamlessly join the quality ecosystem in near future on completion of academic sessions.

One of the most visible and vibrant engagement with academia is in the form of creation of Standards Clubs in schools and colleges across India. These Clubs provide a platform for the students to explore the world of standards for enhancing their knowledge through interactive and competitive means such as quiz and essay writing, poster making and standard-writing competitions. BIS has formulated Standards Clubs in various Govt. Schools and Colleges across the State of Himachal Pradesh.

As per Standards Club Guidelines (Point no -4.4), each Standards Club should organize at least three programmes in an academic year. So, We propose that schools organize **Exposure Visits, Standard Writing Competitions, Quiz Competitions and other BIS-led activities**. These initiatives aim to foster a deeper understanding of quality standards and the importance of safety in various sectors, as well as to encourage creativity and effective communication among students. The expenses for this program will be borne by the Bureau of Indian Standards.
