Sub: Introducing TERI's Environment Education project, GREEN Olympiad for Himachal Pradesh in vernacular language- Reg.

Dear Shri Sukhu Ji,

Greetings from TERII

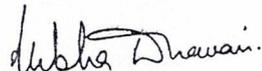

I am happy to share with you that we are currently in our 50th year celebrations. Along with our headquarters in New Delhi, we take great pride in working in States. In Himachal Pradesh, TERI has implemented projects on empowering agrarian population through training and demonstration for cultivation of high value plantation crops. Besides this, TERI is implementing various crucial projects and studies in the State.

GREEN Olympiad is our flagship programme, and we are implementing it since 1999 (www.teriin.org/olympiad). Importance of Olympiads is articulated in the National Education Policy (NEP 2020), as a medium to minimize rote learning and to encourage a holistic development around 21st century skills. GREEN Olympiad also draws its linkages with 'Goal 4 - Target 7' (SDG 4.7). Creating awareness about Green skills, Environment and Sustainable Development are the core mandate of this Olympiad. In the 2023 edition, the programme was supported by Ministry of Environment, Forest and Climate Change and Ministry of Education, Government of India and witnessed an overwhelming response of reaching out to over 1.50 lakh students in India and abroad.

To enable a larger number of schools to benefit from the GREEN Olympiad in Himachal Pradesh, we request for your support, so that schools under the Department of Education, Himachal Pradesh are encouraged to enrol for this Olympiad. We have been organising GREEN Olympiad in Hindi language.

We request you to kindly recommend the Department of Education, Himachal Pradesh to endorse GREEN Olympiad as endorsed by Ministry of Education (Government of India) and also include this Olympiad for participation by schools.

With kind regards,
Yours sincerely,

Vibha Dhawan
