Chess selection criteria for Block/ Zonal / District/State for U19 (B & G) Team Chess Event

There will be compulsorily a selection Trial which will be an individual event. Only those players will be considered for that selection individual event who fulfil the following criterion:-

(i) The players on 1st, 2nd, 3rd, 4th boards who had played all the rounds and were unbeaten and scored 75 per cent irrespective of their team standings. For example if a player A has played 5 rounds and scored 4 points by three wins and two draws then that player is unbeaten and his scoring percentage is $4/5 * 100 = 80\%$. So the player A will be eligible for the selection event.

(ii) The players on, 2nd, 3rd, 4th boards who had played all the rounds and had scored 75 per cent and their team standings fall within top half. For odd number of teams the top half of receding number will be taken. For example a player B has played 5 rounds and scored four wins and one loss so he is not unbeaten and his scoring percentage is $4/5 * 100 = 80\%$. Now if Total no's of teams participated were 11 then half of 12 i.e. 6. So the Team standings of player B must be in Top 6.

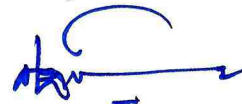

(iii) The players on 5th Board (reserve player) must have played minimum of two rounds and scored 75 per cent and their team standings fall within top half. For odd number of teams the top half of receding number will be taken. For example a reserve player C has played 3 rounds and scored two wins and one draw and his scoring percentage is $2.5/3 * 100 = 83.3\%$. Now if Total no's of teams participated were 11 then half of 12 i.e. 6. So the Team standings of player C must be in Top 6.
(Applicable only in case of reserve player & only if he/she plays minimum two rounds).

(iv) The selection Trial will be conducted as an individual event with applicable Tie- Breaks for individual Event. Selection Trial will be conducted in Rapid format having minimum 15 minutes to each player and as per the situation suitably decided by the Chief Arbiter/Convener.

- (v) The no' s of rounds will be decided on the basis of number of participants who had qualified.
- ✓ Upto 8 participants —3 rounds.
 - ✓ 9-16 participants —4 rounds.
 - ✓ 17-32 participants ----5 rounds.
- (Applicable for selection trial of player to constitute team and not for team event)
- (vi) Then selection trial will be organised for those, who fulfil above said criterion and top 5 will be selected for next level event.
- (vii) The Tie Break Criterion being used and number of rounds must be displayed before the start of selection trial on the notice board.
- (viii) The aforesaid criteria will be applicable in those event which are to be conducted where event has already been conducted this criteria shall not be used.
- (ix) However the above mentioned selection rules will be subject to change in future according to FIDE laws/ State Practical observation during implementations incorporating the team game spirit.

Furthermore, the school administration where the tournaments are being held will also be fully responsible for safety of all the students who are participating in the tournaments and all the staff members of the school be given/ involved in various type of duties related to the students security concern.

Any lapse in this regard shall be viewed seriously entailing disciplinary action.
