To
Dated Shimla-1 the
All the Students
(As per List-I & II)

Subject:- Correction of Bank Account of the Students, reg.

As per list-I & II, these students had applied for scholarship during the Academic Year 2021-22, under Post-Matric Scholarship Scheme for SC Students. Scholarship to these students could not be released through DBT mode because their bank accounts are mismatched on PFMS Portal. Services to these students to update their bank account details have been given so many times and also these students were asked through their mobile number to update their bank details. As on today, these students have not updated their bank details. Therefore, one more opportunity is being given to these students to update their bank details through their Scholarship Application ID as well as to Seed their Bank Account Number with Aadhar Number within seven days, positively, failing which their scholarship application will be permanently rejected on National Scholarship Portal.

Further, the Heads of all the Educational Institutes (within and outside of Himachal Pradesh) are also requested to guide the applicants of their institutions as per List I & II to correct his/her bank details through Scholarship Application ID after getting the bank details checked and verified from their bank branch as well as to Seed the bank account with Aadhar Number, within seven days, positively.

This may be given top priority please.
