Subject:- Digital Assessments: Our meeting on 30th January, 2023.

Sir,

Please find enclosed herewith an email dated 01-02-2023 received from Sh. Rajesh Raina, Tata Consultancy Services on the subject cited above.

In this connection, I am directed to inform you that a meeting was held on 30.01.2023 with the Secretary (Education & IT) to the GoHP in his office chamber wherein Sh. Rajesh Raina has submitted that Tata Consultancy Services is conducting computer-based in-centre recruitment and admission assessments tests across the country at National, Regional and State levels since last 11 years. However, in order to augment the testing facilities, the infrastructure available at the educational institutions in the State may also be identified. The broad list of requirements in the computer test centre for smooth conduct of examinations is also enclosed herewith as **Annexure-A**.

It is, therefore, requested that the list of such Universities, Colleges and Polytechnics along with contact details could be shared with Tata Consultancy Services with IT and non-IT infrastructure details as per the enclosed list which can be considered for feasibility for conduct of computer based assessments tests.

This is for your kind information & necessary action at your end please.

Yours faithfully,

Joint Director (IT)

Dear Sir

Warm Greetings.

We would like to thank you for the kind courtesy extended during our meeting at your office yesterday.

Tata Consultancy Services is conducting computer based in -centre recruitment and admission assessments across the Country at National, Regional and State levels since last more than 11 years. We have submitted TCS-iON Digital Assessment solution document to your good self which caters to end to end computer based assessment process and its implementation.

As discussed in the meeting, to overcome the challenge of computers in the State of Himachal Pradesh, the feasibility of use of computers of State Universities, Colleges and Polytechnics can be considered. Kindly find enclosed the broad list of requirements in computer test centre for smooth conduct of examinations.

718929/2023/IT
Based on the same, the list of such Universities, Colleges and Polytechnics along with contact details can be shared with IT and non-IT infrastructure details as per the enclosed list which can be considered for feasibility for conduct of computer based assessments. Such Institutions can also be briefed on the same so that the process of ascertaining the use of infrastructure of such institutions for conduct of computer based examinations can be further explored.

We hope the above is in line with our discussions and look forward to hearing from you soon in this regard.

Thanking you and With Warm Regards

Rajesh Raina
