Subject: - Regarding Career Counselling Cells in Schools.

Memo;

As you are aware that in today's dynamic and competitive world where specialization is gaining importance every day, students often find themselves confused as to what they really want to do and where their basic areas of interest lie. Since the students go through various physical and emotional changes during the time when they have to decide on their careers, a wrong choice often leads them to leading a frustrated and unsuccessful life. Career Counselling helps the students to fulfil their career goals and serve as the bridge between their college experience and employment or graduate school, helping them apply what they have learned. It is a process that helps to design a career path for every child and enable them to make appropriate decisions relating to their future. You are therefore, directed to issue necessary instructions to all the Heads of institutions under your control to constitute a Career Counselling and Guidance Cell in every school for the better career of the future generation and also to nominate one Nodal Officer amongst the senior most teacher for the purpose. The aforesaid cell may comprise of the members i.e. Administrative Officer/Deputy SDM/Tehsildar, Distt./Block Employment Officer/Tehsil Welfare Officer/Manager Industries Deptt./ prominent industrialists etc. of the area.
