2. As per the Seventh Schedule to the Constitution of India, 'Police' and 'Public Order' are State subjects and States/ UTs are competent to deal with crimes including cyber crimes. However, the central Government on its part, provides necessary assistance to the State Governments through various schemes/ programmes from time to time.

3. In this context, I would like to inform you that in order to provide an effective mechanism to deal with cyber crime in a coordinated and comprehensive manner, Government of India has implemented the 'Indian Cyber Crime Coordination Centre (I4C)' scheme. Under this initiative, 'National Cyber Crime Reporting Portal', i.e., www.cybercrime.gov.in has been launched under Nirbhaya Fund for reporting of all types of cyber crimes, especially cyber crimes against women and children. The incidents reported in the portal are automatically forwarded online to the State/UT concerned. So far, more than 7.6 crore people have visited the portal and reported more than 8.5 lakh cyber crime incidents with 16,573 FIRs having been registered.

4. In addition, the Government has operationalized the 'Citizen Financial Cyber Fraud Online Reporting and Management System (CFCFRMS)' for quick reporting of online financial frauds and the States/ UTs/ Banks/ Intermediaries have been connected to it. So far, more than Rs. 51 Crore has been saved. In order to register complaints in this system, a National Toll-Free Helpline Number '1930' has been made operational. The Central Government has taken several steps to spread awareness on the prevention of cyber crime which are attached as an **Annexure**.
