Subject: Regarding the conduction of the International Cyber Olympiad 2024 in Government, Govt-aided & Private Schools of Himachal Pradesh.

Respected Sir,

The International Cyber Olympiad (ICO) is a prestigious competition that tests students' knowledge and skills in computer science and also spreads awareness about the safe use of the internet & cyber security. It is a great opportunity for students to showcase their talent and learn from the best in the field. The importance of cyber security cannot be overstated. In today's digital world, our personal and financial information is constantly under threat. The Cyber Olympiad helps to raise awareness of these threats and teaches students how to protect themselves and their families.

In addition to the above, I would like to highlight the following points about the importance of the International Cyber Olympiad:

- The Cyber Olympiad helps to bridge the gap between the education system and the needs of the IT industry.
- The Cyber Olympiad provides a platform for students to develop their problem-solving and critical-thinking skills.
- The Cyber Olympiad helps to promote cyber security awareness among students and the general public.
- Participating in the Cyber Olympiad can help students gain confidence in their abilities and boost their self-esteem.
- The Cyber Olympiad covers a wide range of topics, so students will have the opportunity to learn about the latest trends in technology, computer science and cyber security.
- All the students will be awarded Certificates for motivation while winners will be awarded Cash Prizes, Trophies, Medals and much more.

In accordance with the National Education Policy 2020, you are requested to lend your support to make the efforts of the Cyber Olympiad Foundation successful in reaching the maximum number of students by disseminating information about the International Cyber Olympiad 2024 to government, govt-aided and private schools of the state. The International Cyber Olympiad is based on the National Curriculum Framework for School Education developed by the NCERT.

Sincerely,
Anshul Vats
President, Cyber Olympiad Foundation
