Sir / Madam,

I am directed to refer above mentioned subject and to inform that National Disaster Management Authority (NDMA) in collaboration with Indian Red Cross Society (IRCS) has developed First Aid Manuals and Mobile App for imparting first aid training to teachers and school children. This initiative, aptly named FAST (First Aid for Students and Teachers), aims to ensure that emergency situations in school premises are swiftly dealt with until the arrival of professional medical help. A set of three manuals for classes 8th to 10th, for classes 11th to 12th and for teachers has been developed. These manuals can be accessed through user friendly Mobile App named as "First Aid for Students Teachers". The link to access the FAST App on Google Play Store (Android) is <https://play.google.com/store/apps/details?id=com.vcaretechnologies.firstaid.fast> and link of FAST App on Apple Store (iOS) is <https://apps.apple.com/us/app/id1533814953>.

2 It is, therefore, requested to kindly create awareness about the Mobile App to Officers / employees of departments of States / UTs and other stakeholders concerned with Disaster Management and instruct to download this lifesaving app.

Yours faithfully,

28/10/2020
