Subject :- Regarding purchase of Sanitary Napkin Incinerators.

Memo:-

It is intimated that the Department has finalized the BiD process for supply of Sanitary Napkin Incinerators to all the schools in Rural areas. It has been observed by the undersigned that these schools are purchasing incinerators from different sources by their own due to which the quantity of machines to be supplied varies from time to time making it difficult to process the order.

All the Deputy Directors of higher Education are directed to issue instructions to all the GSSS/GHS of rural areas not to purchase incinerators till the supplies finalized.
