academic years latest by 31st May, 2023.**

Sir,

Your attention is invited to the e-mail received from the National Informatics Centre National Scholarship Portal Programme Monitoring Unit (NIC NSP PMU) regarding the subject cited above (copy enclosed). In this context you are requested to make aware the applicants of academic year 2022-23 or prior to this period whose scholarship is pending for disbursal due to wrong bank details may be rectified immediately so that their application can be pushed for payment. Due to technical reasons it will not be possible to upload data for payment of scholarship by the state after 31.05.2023.

Therefore, applicants are required to rectify their bank details mandatorily at the earliest preferably before 29.05.2023.

This may be given personal attention and top priority please.

Yours faithfully,

(Dr. Harish Kumar),
Joint Director of Higher Education(C),
Himachal Pradesh

Respected Sir/Madam,

This is with reference to National Scholarships Portal (NSP). The system is evolving rapidly with constant support from DBT Mission, Cabinet Secretariat and onboarded Ministries/Departments. DBT Mission and Ministries/Departments have suggested many new features to be incorporated starting from AY 2023-24 that would eventually fast-track the disbursement of scholarships in DBT Mode. Features like face-auth and payments only through Aadhaar Payment Bridge System (APBS) would harden the system security. One-time Registration would facilitate any time registration throughout the year.

As you are aware the NSP portal will be launched soon for AY 2023-24 and NSP team shall ready the system as per the Directions of DBT Mission, Cabinet Secretariat before the launch. Please note that NSP services will not be available from 1st June 2023 to 15th June 2023 tentatively as system maintenance is to be carried out.

May please note that the data and other resources will be migrated during the system readiness for AY 2023-24 and will not be available for making the payment files of the past academic years after the migration. Ministry/Department/State/UT are requested to complete the following activities latest by 31st May 2023 in case pending for AY 2022-23.

1. Merit list generation
2. Scholarship amount calculation
3. Payment file generation
4. Scholarship Disbursement

In case, Ministry/Department/State/UT is having any budget constraint for AY 2022-23 shall at least make the payment files and keep them in the payment module for making payments later. However, the scheme owner Ministry/Department/State/UT who has not made the payment before AY 2022-23 (i.e., for AY 2020-21 and 2021-22) are also advised to follow the above process for the generation of the payment files and keep them in payment module.

Please note that NSP will not be having method to generate the payment file for past academic years after the initialization of the system for the academic year 2023-24. Previous year data will be available for viewing only.

This email is sent with the approval of the Competent Authority.

Regards,
NIC NSP PMU
