MESSAGE

It is a matter of immense delight for me to know that your school is going to publish the school magazine.

School magazine is a very useful medium for young minds to express their bristling ideas and thoughts. It gives a chance to students and budding writers, to get the attention of others through their creative and contemporary writings. It is an essential ingredient of school regular activities and documentation of such events. The true purpose of education is to open the horizons for the curious young minds and to refine and polish them in such a way that they become responsible citizens of our country.

I wish your school a great future and grand success to the school magazine. I also congratulate the management of the school and the Editor(s) of the magazine and wish everyone all the best in their ventures.

Jai Hind.
