Madam/Sir,

There is an increasing trend of air & noise pollution in the State during the festival season especially during Diwali, due to bursting & indiscriminate use of firecrackers, thereby contributing towards rising levels of air and noise pollution. In this regard, you are requested to issue direction to all the Principals/Head Masters of schools to educate students about the harmful effects of air pollution and noise pollution and direct them not to burst firecrackers between 10 P.M. to 6 A.M. and at all time in the Silence Zone.
