No. PW-HPRIDCL/EE(CM)/RSAS/Vol-IV/2021- 666

Dated: - /5-02.2022

**To whomsoever it may concern**

Himachal Pradesh Road and Infrastructure Development Corporation Limited (HPRIDCL) has appointed M/s TRL Professional & Software Services (India) LLP (Lead Consultant) with Sherwood Technocrats and Consultants Pvt. Ltd, Kerala (Sherwood) and Consulting Engineers Group Limited, Rajasthan (CEG) as sub-consultants for the project titled 'Consultancy Services for Road Safety Advisory Services for the State of Himachal Pradesh'.

The consultant team has been entrusted with the responsibility of conducting road user and road environment surveys on Safe Corridor Demonstration Project (SCDP). The objective of these surveys are to identify the risk factors contributing to crashes from a road user and road environment perspective, which will then be used to develop multi-stakeholder intervention plans for enforcement, engineering, communication and post-crash care. The following direct observation surveys and road user surveys in all four SCDP corridors will be conducted.

- Compliance to law on wearing of helmets & mobile use
- Compliance to law on wearing of seat belts & mobile use
- Speed survey
- Vehicle occupancy survey – public transport and private vehicles
- Road user survey (for pedestrians)
- Road user survey (motorised transport including motor cycles)

The survey will be done on various parts in Solan, Kangra, Una & Kullu districts from February 21, 2022 onwards. The following consultant staff will lead the survey:

Sr. No.	Name	Company	ID Type	ID No.
1	Seema Malhotra	Sherwood	Aadhar	428216512869
2	Shabab Shajahan	Sherwood	Aadhar	450243017766

It is hereby requested to all concerned State Police authorities, District Administration, Transport Department, Traffic Department, HRTC, local residents and communities etc to kindly cooperate with the survey team.

Date: February 15, 2022

Place: Shimla

To make your journey more safe

Government of Himachal Pradesh intends to upgrade the road network in the State safer for all road users. To achieve this, Himachal Pradesh Road and Infrastructure Development Corporation Limited (HPRIDCL), with the support of World Bank, has initiated a comprehensive road safety programme to be implemented across the State.

Support of road user communities is crucial for successful implementation of road safety interventions. Understanding local road usage, and community attitudes towards road safety is very much helpful for the state to adopt best possible measures to improve safety and wellbeing of our people.

For this purpose, we are conducting a road user survey for collecting your opinions, perceptions, attitudes, and suggestions on road safety factors. We will also include the suggestions from the women, students, old aged and disable people related to women safety measures.

Please support state road safety initiatives through your participation in this road user survey.

We value the response you give to the survey questionnaire in the prescribed format.

Expecting your cooperation for making your journey safer.
