Subject: Request for Deputation of Teachers for Workshop for State Resource Group (SRG)/ Master Trainers of States on Development of Online Courses: Level - 2 from 01 - 05 July, 2024 at CIET- NCERT, New Delhi.

Sir/ Madam

With reference to letter No. F.20.09/2024-25/DICT/CIET 14th June, 2024 from Central Institute of Educational Technology (A constituent unit of National Council of Educational Research and Training), as we know the National Education Policy (NEP) 2020 emphasizes 50 hours of capacity building as mandatory for all teachers and school heads on an annual basis. With 8.5 million school teachers and 1.5 million schools, face-to-face training has the limitation of reaching out to every teacher every year. Hence the online mode of capacity building programme finds its way. Under the umbrella of PM e-Vidya initiative, one of the major pillars is to offer online courses for the enrichment and extension of the learning process through the SWAYAM/ DIKSHA platform and to achieve the goals of NEP-2020 i.e., accessible, equitable, quality education and lifelong learning for all, which is rooted in Indian culture.

To meet these expectations, several efforts have been taken up to develop and offer online courses through various platforms like DIKSHA, SWAYAM etc. It is high time to develop quality online courses that will help in building competencies in the areas recommended by NEP 2020. To achieve these goals, CIET -NCERT is organising training on 'Development of Online Courses' and creating a state resource groups / master trainers in states/ UTs and autonomous organisation. During 2022- 23 and 2023-24, training was conducted in online mode.

The participants who were qualified at first level submitted course proposals and based on the scrutiny around 58 participants are shortlisted for the level 2 workshop on developing the course. During this workshop, the participants will be developing the course manuscript under the guidance of mentors. In the next three months, the participants will be expected to complete the course manuscript and by the end of this academic year the selected courses will be developed in all aspects.

In this regard, a five days workshop is being organized from 01- 05 July, 2024 at Room No 202, CIET- NCERT, New Delhi in a face-to-face mode.
