Subject:- Regarding awareness about Textile Engineering .

Sir,

I have the honour to inform your goodself that B.Tech (Textile Engineering) programme is running since the inception of this institution in 2006. This institution is AICTE approved and affiliated to Himachal Pradesh Technical University, Hamirpur. The Textile Engineering department has state of art laboratories and well qualified faculty & staff to impart quality education to undergraduates students. The alumni of this department are working in leading Textile organizations in India and abroad. Currently 80% (approx.) of students from 2018-2022 batch got placed in various reputed mutli-national companies with package up to 6 lakh/annum.

The admission to B.Tech. courses are made through Joint Entrance Examination-2022 (JEE mains) and Himachal Pradesh Common Entrance Test-2022 (HPCET). The exam of HPCET 2022 will held in the month of May and other information regarding the schedule will be uploaded on the web portal of Himachal Pradesh Technical University, Hamirpur (www.himtu.ac.in). The department intends to provide wide publicity to the engineering aspirants about textile engineering as the students may not be much aware of the future prospects in Textiles.

It is therefore, requested to provide wide publicity amongst higher and senior secondary school faculty/staff members & students by circulating the attached documents through Deputy Directors/ Principals/Headmasters so that interested students can avail the opportunity to pursue B.Tech (Textile Engineering) in this college.

Thanking you.

Sincerely,
