Regarding prevention of use of unfair means in examination.

This is in reference to the Govt. letter No. EDN-A-Ka(8)01/2019-Loose dated 10th March, 2023 on the subject cited above (copy attached).

In this context, it is informed that the use of unfair means in examination is a serious concern as it vitiates the whole purpose of conducting examinations. On the one hand it encourages students to adopt malpractices and on the other hand it creates discontent and dissatisfaction amongst the hard working and honest students.

In view of the above, all are directed to ensure that the examinations must be conducted in free and fair manner and no malpractices/unfair means are used in any manner and in case use of unfair means are found during the visit of competent authority, strictest action will be taken against the defaulter/institute under rule.

“Personal Attention” be given to this matter.
