Subject: Regarding functionality & optimal use of ICT hardware and removal of shortcomings/discrepancies in CBT Centres.

It is directed to ensure the ICT infrastructure and computer hardware procured by the respective institutions or supplied through the Directorate of Higher Education are fully functional and put to optimal use for academic, institutional and examination-related activities. Any deficiency or malfunctioning of hardware, if any, be attended, immediately, so as to avoid interruption in functioning.

In addition, the H.P. Rajya Chayan Aayog, Hamirpur has reported certain shortcomings in some Government Colleges, identified as CBT Centres.

Therefore, all concerned shall take immediate corrective action to ensure readiness and smooth functioning of these Centres.
