Subject: Extension of Timeline and Reopening of Upload Window for Gradesheet Data (Examination Years 2021-2024) on the NAD-ABC Platform - regarding

Respected Sir/ Madam,

The National Education Policy 2020 envisions to transform the education landscape into a flexible learner-centric ecosystem promoting integrated and lifelong learning with multiple entry and exit points. To support this vision, the Academic Bank of Credit (ABC) has been established to digitally store academic credits earned so that the degrees from a Higher Education Institution (HEI) can be awarded considering credits earned.

2. ABC facilitates formalising credit recognition, accumulation, transfer, and redemption through a 12-digit unique identifier called Automated Permanent Academic Account Registry (APAAR) ID. Timely uploading of credits to students' APAAR IDs is essential to operationalise the objectives of NEP 2020. Hence, the role of State Universities/HEIs is crucial in this scheme.

3. In this regard, it may be noted that the earlier deadline for uploading the academic records on ABC platform for examination years till 2024 was fixed as 30th June, 2025. However, in light of various representations received from State Governments and HEIs seeking a one-time relaxation for the aforementioned purpose, the competent authority has accorded approval for the **reopening of the upload window till 30th November 2025.**

4. It is hereby requested to widely disseminate this information among **HEIs in your state regarding the reopening of the upload window on the ABC Platform. You are also requested to encourage the HEIs to upload the data within this extended timeline.**

5. Following are the contact details of the nodal officer for this activity: Mr. Prakash Kumar Pandey, National Coordinator (ABC) {prakashk.pandey@digitalindia.gov.in, and Mob: **+91-9711133792}**

Yours faithfully,

20/08
