No. EDN-HE(3)F(9)41/2025
Directorate of Higher Education
Himachal Pradesh, Shimla-1

Dated: Shimla-171001 the September, 2025

To

All the Principals
Govt. Colleges in Himachal Pradesh.

Subject: - **Regarding Use of Urine-based Drug Detection Kits.**

Please find enclosed herewith a photocopy of letter No. ADGP/CID/:HP/ANTF/-40421-22, dated 07-08-2025 received from the Addl. Director general of Police, State CID, Himachal Pradesh, Shimla, on the subject cited above.

In this regard, to eradicate drug abuse from the State, CID has informed that the use of urine-based rapid drug testing kits can serve as a useful tool for the early identification of affected students and the initiation of timely intervention. The rapid urine based drug testing kits are capable of detecting multiple commonly abused drugs and provide quick results, which makes them suitable for deployment in educational institutions under proper protocols and supervision. This measure is intended to support the ongoing efforts to create a drug-free environment in educational institutions and to protect the future. During the PTA meeting it may be discussed/brought to the notice of all concerned.

Encls: As Above.

Joint Director Higher Education (C)
Himachal Pradesh

Endst. No. Even dated Shimla –I the September, 2025

Copy for information and necessary action is forwarded to:-

1. The Addl. Director General of Police, State CID, Himachal Pradesh, Shimla w.r.t. his letter referred to the above please.

Subject: - Regarding Use of Urine-Based Drug Detection Kits in Schools

Sir,

As you are aware that the drug abuse in our State is increasing alarmingly because large number of youth of the State is affected by the drug abuse & addiction and even school going children have been found to be addicted to drugs. This disturbing trend necessitates urgent and effective preventive measures.

2. In our endeavor to eradicate drug abuse from the State, the use of urine-based rapid drug testing kits in schools serves as a useful tool for the early identification of affected students and the initiation of timely intervention.

3. In this regard, it is submitted that the State CID has already procured rapid urine based drug testing kits — *Insight DOA Panel 6.1*, manufactured by **Tulip Diagnostics (P) Ltd** — for field-level use. These multi-panel kits are capable of detecting multiple commonly abused drugs and provide quick results, which makes them suitable for deployment in school under proper protocols and supervision.

4. This measure is intended to support the ongoing efforts to create a drug-free environment in educational institutions and to protect the future of our children.

Yours Sincerely,

For Addl. Director General of Police,
State CID, Himachal Pradesh, Shimla
